En virtud de la normativa legal vigente y de las instrucciones impartidas por esa Superintendencia en la Circular Nº 3906 de fecha 28 de noviembre de 2025, comunico a usted lo siguiente:

Nuestro servicio ha detectado que la entidad previsional ISAPRE MASVIDA ha procedido a efectuar compensaciones unilaterales entre subsidios derivados de distintas licencias médicas de funcionarios de este servicio, disminuyendo los montos pagados por concepto de subsidios de incapacidad laboral con afectación directo al patrimonio público.

Conforme a lo dispuesto en la Circular Nº 3906 de 28.11.2025, se instruyó por parte de la SUSESO que las entidades de salud no están facultadas para realizar compensaciones de subsidios entre licencias distintas, debiendo ceñirse al procedimiento administrativo y a las atribuciones expresamente conferidas por la normativa de previsión social. En atención a lo anterior, solicitamos se confirme la interpretación contenida en la referida Circular (páginas 9 y 10, Pagos Indevidos), que establece la prohibición de dichas compensaciones por parte de las Isapres.

En consecuencia, y con base en la Circular Nº 3906, solicitamos lo siguiente:

1. Confirmar la improcedencia de las compensaciones unilaterales realizadas por ISAPRE MASVIDA.
2. Ordenar que ISAPRE NUEVA MASVIDA, debe formalizar ante este servicio público el cobro de las licencias médicas que hubieren recibido pago al empleador en convenio, las cuales en una fecha posterior hubieren sido re dictaminadas con su rechazo, invalidación o no autorización.
3. Ordenar el reintegro inmediato a este servicio de las sumas indebidamente compensadas, de acuerdo a los montos informados como compensación unilateral.
4. Adoptar las medidas administrativas y sancionatorias que correspondan frente a la entidad previsional, en caso de confirmarse la vulneración normativa.
5. A continuación, se detalle los montos compensados en cada transferencia:
